SECTION 5. Prior to the issuance and delivery of the Bonds (other than a series of Bonds issued for refunding purposes), the District shall have undertaken and, to the extent then required under applicable law, completed all necessary proceedings, including, without limitation, the holding of public hearings, the adoption of resolutions and the establishment of all necessary collection procedures, in order to levy and collect Special Assessments upon the lands within the District subject to assessment, all as more specifically required and provided for by the Act and Chapters 170 and 197, Florida Statutes, as the same may be amended from time to time, or any successor statutes thereto.
